

HOW TO USE THE

RIPTA

Any Brown community member can ride the RIPTA for free. Simply swipe your Brown ID in the card reader whenever you board the bus.

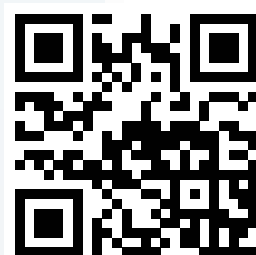

One of the easiest ways to plan your trip using the RIPTA is to use a mapping software that considers bus schedules (like Google Maps).

There is an assortment of applications advertised by RIPTA to help you with your trip. Go to ripta.com/mobile-applications or scan the QR code to the left to read more.

Every RIPTA bus has a bike mechanism in the front that allows you to bring your bike with you whenever you travel. Go to ripta.com/bike or scan this QR to see how it works:
